on Architectural Project Approval:

In accordance with the Articles 106-111 of the Law of Georgia on "Spatial Planning, Architectural, and Construction Activities Code of Georgia"; the Government of Georgia's Decree №255 dated May 31, 2019, "On the Rules and Conditions for Issuing Construction Permits and Adopting Buildings into Operation"; and Subparagraph "n" of Paragraph 2, Article 16 of the Organic Law of Georgia on "Local Self-Government Code", in accordance with the agreement dated November 14, 2024, between the executive body of Batumi Municipality and Central City Line LTD (ID 445686687):

I ORDER:

1. To satisfy the application №1424365300-06 of Central City Line LTD (ID: 445686687) dated December 30, 2024. The building permit shall be issued in the name of Central City Line LTD for the construction of a multi-apartment residential building (Class IV building) on the 1894.00 sq.m. plot of non-agricultural land located in Batumi, on Pirosmani Street №10/ the end of Gorgiladze Street, near to the Polytechnic Institute (Cadastral Code №05.24.05.017). (The architectural project, agreed by orders №B14.14242435, dated August 30, 2024, №B14.14242988, dated October 24, 2024 and №B14.142431727, dated November 12, 2024).
2. The validity period of the building permit is defined until January 20, 2030.

3. In accordance with the Article 20 of the Government of Georgia's Decree №255 dated May 31, 2019 "On the procedure and conditions for issuing building permits and commissioning of buildings and structures" should be defined at least two lines of the process of implementation of construction:

A) I Line – Preparatory Construction Works:

A.A. Preparatory works related to site arrangement, including dismantling of depreciated or other existing structures, removal of construction waste, protection of green vegetation to be preserved, and relocation of underground utility networks.

A.B) Marking the building structure on the ground and fixing the main axes.

B) II Line – Main Construction Works:

B.A) Earthworks.

B.B) Foundation base preparation of the building;

B.C) Foundation installation of the building;

B.D) Construction of the main structural system up to the building's zero level.

B.E) Construction of the main structural system (excluding non-load-bearing structures) above the zero level, with a maximum height of 7.0 meters (or floor-by-floor in case of floors).

B.F) Installation of roofing systems and covering.

B.G) Installation of non-load-bearing structures.

B.H) Installation of local engineering-utility networks.

B.I) External finishing works of the building;

B.J) Landscaping works.

4. The permit holder shall be informed that any damage caused to municipal/state property during the construction process must be rectified immediately. Failure to do so will be considered a violation of the permit terms and will result in appropriate measures.

5. Central City Line LTD (ID 445686687) shall comply with the requirements set forth in Article 2 of Resolution №37 dated December 19, 2023, of Batumi Municipality Council on "Temporary Supportive Measures for Implementing Projects of Municipal Importance" under the Law of Georgia on "Spatial Planning, Architectural, and Construction Activities Code."

6. This order may be appealed to the Batumi City Court (address: Batumi, Zubalashvili Street №30) within one month from the date of its receipt in accordance with the established procedure.

7. The present order enters into force upon signature.

Archil Chikovani – Mayor - Mayor's Office of the Municipality of Batumi
